OPTIA WORKSPACE

THE ULTIMATE IN FUNCTIONAL DESIGN

The Optia Workspace gives all new meaning to in-room working space. This beautiful, space-saving design features a topside ice block work surface, a built-in warming drawer, LED lighting, side compartments perfect for small trash cans or other accessories, and upgraded laminate. If you're looking for a clean, modern design that improves both the look of your spa and its functionality, the Optia Workspace is a must!

- Multi-functional working space
- Built-in warming drawer for towels
- Topside ice block work surface
- Multiple side compartments
- Attractive LED lighting
- Upgraded laminate
