EarthLite[®]
WORLD'S #1 BRAND IN MASSAGE™

Introducing
EARTHLITE
PROFESSIONAL
MASSAGE OILS

Earthlite has created a new line of natural, plant-based massage oils to provide the perfect mix of exceptional glide, workability, and skin-nourishing ingredients. Formulated for therapists who want both high performance and clean ingredients, these versatile blends provide superior glide and optimal absorption rates for a wide range of massage techniques. Earthlite's skin-enriching formulas feature premium cold and expeller pressed oils which are mineral, silicone, and paraben free. Unscented – perfect for essential oil blending. Available in Pro-Lite™, Natural Nut, and Organic formulations.

PREMIUM, NOURISHING, NATURAL

EARTHLITE® PROFESSIONAL MASSAGE OILS

Nourishing, High Performing Oils for Therapist and Client

Earthlite® Pro-Lite™ Massage Oil Coconut Enriched, Unscented, Water Dispersible

Formulated for professionals to provide extended glide with a light, smooth texture. Nut-free, hypo-allergenic. Coconut enriched with splashes of Avocado, Apricot and Vitamin E to create a high-performance massage oil. Washes easily from sheets. An excellent choice for high volume massage businesses.

- Coconut enriched
- Unscented
- Water dispersible
- Hypo-allergenic (Nut-free)
- Available in gallon and 8oz sizes

Ingredients:

Expeller Pressed Safflower Oil (Carthamus Tinctorius), Expeller Pressed Sunflower Oil (Helianthus Annuus), Fractionated Coconut Oil (Caprylic / Capric Triglyceride), Coconut Oil Ester (Octyl Palmitate), Cold Pressed Apricot Kernel Oil (Prunus Armeniaca), Avocado Oil (Persea Gratissima), Peg-7 (Glyceryl Cocoate), and Vitamin E (Mixed Tocopherol).

Earthlite® Natural Nut™ Massage Oil Premium Almond, Apricot, and Coconut Blend

A rich blend of sweet Almond, nutritious Apricot, and silky Coconut oils, three of the finest massage oils available. This skin nourishing blend provides unsurpassed glide with perfect absorption for a broad range of massage techniques.

- Premium Almond, Apricot, and Coconut blend
- Unscented
- Water dispersible
- Available in gallon and 8oz sizes

Ingredients:

Cold Pressed Sweet Almond Oil (Prunus Amygdalus Dulcis), Cold Pressed Apricot Kernel Oil (Prunus Armeniaca), Fractionated Coconut Oil (Caprylic / Capric Triglyceride), Expeller Pressed Safflower Oil (Carthamus Tinctorius), Expeller Pressed Sunflower Oil (Helianthus Annuus), Coconut Oil Ester (Octyl Palmitate), Peg-7 (Glyceryl Cocoate), and Vitamin E (Mixed Tocopherol).

Earthlite® Pure Organic Massage Oil Pure, Organic, Chemical Free

A pure blend made with 100% certified organic ingredients. This natural, plant-based blend is the preferred choice for discerning massage therapists looking for purity and quality. Unscented, hypo-allergenic and chemical free, Earthlite Organic Oil is an excellent choice as a carrier base for aromatherapy blending.

- 100% Organic ingredients
- Vegan and Gluten Free
- Hypo-allergenic (Nut-free)
- Available in gallon and 8oz sizes

Ingredients:

Certified Organic Expeller Pressed Safflower Oil (Certified Organic Carthamus Tinctorius), Certified Organic Expeller Pressed Sunflower Oil (Certified Organic Helianthus Annuus), and Vitamin E (Mixed Tocopherol).

About our Master Product Alchemist

Tara Grodjesk, a Master Bodyworker, Aromatherapist and Certified Ayurvedic Practitioner, has been formulating premium massage and aromatherapy products under her own name for more than 25 years. A product and industry visionary, Tara maintains the highest standards of product integrity when it comes to her formulations. She is committed to pure ingredients, therapeutic efficacy and sustainable manufacturing. Tara is a frequent keynote speaker on sustainability, holistic treatment modalities, and women's leadership. Tara joins Earthlite as its first female executive and owner, and will lead the Company's efforts in Sustainability and Wellness.
