

# MULTI-PURPOSE DESIGNER™ TROLLEY FUNCTIONAL AND ELEGANT

The Multi-Purpose™ Designer Trolley is like no other trolley on the market today; this remarkable piece of equipment offers standard features to optimize performance: beautiful, handcrafted hardwood cabinet, a top that slides forward from the back, internal coating to protect against heat and steam, integrated PowerPort™ system to power equipment from your trolley and eliminate cord clutter, and space for both a hot stone warmer and hot towel cabinet. Available in glass tops, stains, and with international voltage, the Multi-Purpose™ Designer Trolley provides versatility in both function and design.
