ZERO GRAVITY RELAXATION

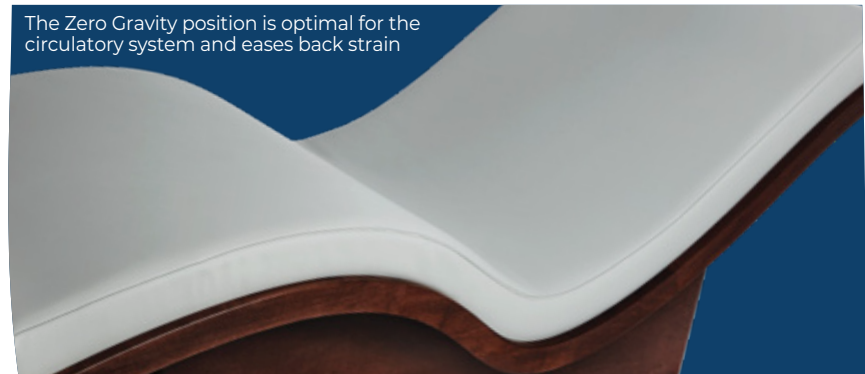

NUWAVE™ LOUNGER

ZERO GRAVITY RELAXATION

The versatile, built-to-order hardwood Wave™ lounger has recently received some significant upgrades. The zero-gravity positioning of the NuWave Lounger is perfect for use in spa relaxation areas and can be utilized for a multitude of head, hand, and foot treatments. The “Nu” version features a sleeker hardwood base with cleaner lines, while the sumptuous Strata™ mattress, upholstered in Nature’s Touch, is now easily replaceable for extended life expectancy. Enhance the experience with Mind-Sync™ Vibrational Wellness and Sleep System. LEC’s builds the NuWave Lounger using sustainable materials and practices.

The Zero Gravity position is optimal for the circulatory system and eases back strain
