## Living Earth Crafts Unveils NEW Comfort-Flex™ PU Upholstery

*Ultra-durable fabric for intensive commercial use*

Vista, California (June 20, 2022) – Living Earth Crafts (“LEC”), the world’s leading manufacturer of spa and wellness equipment and supplies announced the launch of its proprietary Comfort-Flex™ PU upholstery with Tri-Bond™ adhesion technology. Designed for extended durability and comfort in commercial spa and healthcare facilities, “Comfort-Flex is the only fabric we know of in our industry to pass 16+ weeks of Hydrolysis Testing (ISO 1913) and 325,000 double rubs on the Wyzenbeek Scratch Test (ASTM 4157) – the industry hallmarks for durability,” according to Jim Chenevey, CEO of Living Earth Crafts. Proprietary Tri-Bond™ PU adhesion technology incorporates a co-polymer to bond the polyurethane layer to the base and mid layers of the material, dramatically improving durability. The result is exceptional chemical, moisture, scratch, and oil resistance. The luxurious Comfort-Flex™ is available in 10 attractive colors including: Mystic Blue, Marie’s Beige, Black, Burgundy, Vanilla Crème, White, Sterling, Teal, Latte, and Amethyst.

### Performance Features
